CENTRAL NEWS

On the occasion of the 70th Constitution Day, the GIETU family pays homage to Dr B. R. Ambedkar who shaped our great democracy. Student, Faculty and staff members of the university read the preamble to the Constitution to understand the fundamental civic values & the ways in which citizens play a great role in our Nation's government.

Dr. Ajit Kumar Senapati, HoD Mechanical Engineering participated as a resource person for conducting two day workshop of Principal's and IQAC coordinators in connection with NAAC Accreditation of 61 affiliated college under Berhampur University from 18th to 19th November 2019.

An awareness programme on entrepreneurship development was organized by VIKAS-RABI, an initiative of Ministry of Agriculture & Farmers Welfare, Government of India on 15th November 2019 in the Central Auditorium, GIET university in collaboration with the School of Agriculture. The programme witnessed the active participation of all the faculty members and students of School of Agriculture. The programme was held under the chairmanship of Dean, School of Agriculture Dr. S.K. Panda. The occasion was graced by Mr. Chinmay Rout (Manager VIKAS-RABI), Mr. Manas Dash (VIKAS-RABI), Prof. K.B. Mohapatra and Mr. A.K. Mishra, Administrative Officer, School of Agriculture.

"Success" doesn't come to you overnight on a single day. It is not just money, lifestyle, fame or recognition; it is much more than that. It is a consistent approach founded on "WINNING HABITS" that reshape you & the way you think to achieve the success that lasts long with you. A National seminar on "WINNING HABITS" was organized by Basic Science & Humanities, School of Engineering, GIET University on November 9th, 2019. Dr. T.K Chandrashekar, Founder, NISER, Bhubaneswar & Founder SERB, DST, New Delhi and Dr. A. K Naik, Registrar, NISER were the key speakers of the event.

DEPARTMENT ACTIVITIES

GIETU recognized its alumni Mr. Ranjan Rout, 1st Batch, Chemical Department, Mr. Anindit Dixit, 2013-17 Batch, Chemical Department, Mr. Gupteswar Behera, 2013-17 Batch, Chemical Department, Ms. Divya Mohana, 2013-17 Batch, ECE Department for their impactful achievements in different sectors. They demonstrated their commitment to GIETU by visiting the campus and guiding their juniors. GIETU congratulates them for their success and wishes all the best for their future.

GIETU arranged a city tour and a visit for the Nepali students to Puri, Konark and Bhubaneswar. Students learnt about the history, culture, heritage and daily lives of people of Odisha. The trip also honed their self management skills like time management, daily budget management etc.

Department of EE & EEE went on a one day Study tour to the 132/33KV Substation, Parlakhemundi, Gajapati to enhance their practical knowledge and also to fullfill the Industry gap on 5th November 2019.

A motivational talk on “Future Minds & Future Jobs” was organised at GIET University, Gunupur campus on 25th Nov 2019.

FACULTY ACHIEVEMENTS

Dr. Brojo Kishore Mishra of Department of CSE have been appointed V.C.Nominee of the Board of Studies in dept. of Computer Science of Vikram Deb(Autonomous) College, Jeypore for the session 2019-2022 on 2nd November 2019.

Dr. Brojo Kishore Mishra of Department of CSE was presented with certificate for ease researchers and students authentication and access on Nature.com: New developments for seamless access on 6th November 2019.

Dr. Neelamadhab Padhy of Department of CSE have been nominated as ambassador for Bentham Science publishers on 21st November 2019.

STUDENTS ACHIEVEMENT

Under the Guidance of Mr.Ribhu Abhusan Panda, of department of Electronics, Md Danish Iqbal, Abhishek Panigrahi and G.Sai Varun all 5th Semester students presented a paper entitled “Rectangular patch with optimised circular slot and perturbed rings for multi band application” in SPRINGER6th International Conference on Information System Design and Intelligent Applications(India 2019)held on 01st -02nd November 2019 at Lendi Institute of Engineering & Technology, Visakhapatnam, Andhra Pradesh , India.

PAPER PUBLISHED

- 01 Prof. Ranjit Patnaik of department of CSE published a paper entitled “A systematic survey on IoT Security issues, Vulnerability and Open Challenges” has been accepted in Springer conference ISCI 2019 Symposium held on 2nd Nov 2019 at CMR Techno Campus. Hyderabad.
- 02 Prof. Sivakami Sundari M. of department of BSH published an article entitled “Simulation of Boarding Time Prediction using M/M/C/K Queuing Model for Airport Passengers” in the International Journal of Recent Technology and Engineering (IJRTE) ISSN: 2277-3878, Volume-8 Issue-4, November 2019 a Scopus indexed journal.
- 03 Dr. Shasanka Sekhar Rout of department of Electronics Engineering presented a paper entitled “Design of a low Power and Low Phase Noise VCO using Active Resistor and DTMOS” in the 1st International Conference on “Advances in Electrical Control and Signal Systems (AECSS-2019), organised by Department of Electrical and Electronics Engineering, Siksha ‘O’ Anusandhan (Deemed to be University), Bhubaneswar, India during 8th-9th November 2019.
- 04 Prof. Ribhu Abhusan Panda of department of Electronics Engineering published a springer book chapter entitled “Comparative Study of a Conventional Square Patch and a perturbed square patch for 5G application” in the book titled “ICICI (volume 38)” of the series LNDECT which is published by Springer Nature Switzerland.
- 05 Prof. Ribhu Abhusan Panda of department of Electronics published an article entitled “Perturbed Triangular Patch Antenna with DGS for K Band Application” in the IEEE Xplore Digital Library.
- 06 Prof. Bibhu Prasad and Prof. Bandana Mallick of department of Electronics published an article entitled “Improved Long Haul WDM Framework Utilizing Wideband Apodized Chirped FBG Dispersion Compensator” in the SCOPUS Indexed Journal International Journal of Scientific & Technology Research.
