About GIETU

GIET University, Gunupur, Odisha (formerly known as Gandhi Institute of Engineering and Technology) was established by Vidya Bharati Educational Trust, Gunupur, Odisha, India in the year 1997. Since inception, the Trust promotes Technical Education in India with a motto of providing Quality Education in a highly disciplined and conducive environment with International Standards. Over a period of 23 years, we have grown by leaps and bounds and today our name is identified with quality engineering education in Eastern India. GIET was declared as a state university on 28th Dec 2018 by Govt. of Odisha as 4th Private University of the state. GIET University is approved by Govt. of Odisha and AICTE, New Delhi. Most of the programs offered under the University are accredited by the NBA.

About CSE Department

The Department of Computer Science & Engineering (CSE) is a centre of excellence providing in-depth technical knowledge and opportunities for innovation and research with up-to-date computing facilities. The Department envisions to be globally recognized as a premier center through excellent teaching and creating professionally competent engineers with moral values committed to building a vibrant nation. Established in the academic year 1997-98 with an annual intake of 40, currently, it has reached to intake strength of 240. The Department has got accredited 4 times by NBA (National Board of Accreditation, AICTE, Delhi). In addition to the strong undergraduate program, the department is also offering Post Graduate (M.Tech) program in Computer Science & Ph.D. programs in Computer Science & Multidisciplinary streams..

Message From HoD's Desk

Dear Readers

Welcome and best wishes to all our stakeholders who receive this Newsletter. It gives me immense pleasure to present the first issue of "CS e-Patra". This internal newsletter serves as an evidence of our outstanding achievements during the academic schedule January to June 2020. Even during the Covid-19 pandemic, we at the Department of Computer Science and Engineering ensured that the learning cannot be stopped. Hence, to walk the talk, past semester was full of various activities by the students and faculty members in academic, co-curricular, extra-curricular as well as in research & development. As you read through the pages you will realize, that the Department had a particularly successful semester. The present newsletter attempts to present the Department and its activities during the period January to June 2020, for general information to all concerned.

I would like to thank all my colleagues for their tireless efforts to help the department progress at a very steady pace. I wholeheartedly support the efforts of all the members of the editorial board and congratulate all those behind the release of this newsletter.

Regards,

Dr. Sanjay Kumar Kuanar
Professor & Head,
Computer Science & Engineering
School of Engineering & Technology

Message From Alumni

Amod Kumar Batch (2004-08)
SO to Director, JCB
DRDO , Ministry of Defence ,
Delhi-54

Dear Fellow GIETians,

It is heartening to know that CS Department of GIET University is launching its own "CS e-patra" newsletter. I congratulate the editorial board on its tireless efforts in envisaging this publication. At the same time, I express my deepest gratitude for providing this opportunity to share my experiences of last 12 years after graduating from GIET.

When I delve into past, doing the qualitative analysis of an "Amateur Amod" of 2004 with the present day Amod, who is solving real time problems and developing products for Defence, I clearly feel that years spent at Gunupur had seeded the courage to dare and dream, provided wings to soar high and achieve those dreams. As a professional, serving defence forces is reverential but the journey to reach here in itself is incredible.

GIET is a collective responsibility and if you desire to feel at par with IITians, you need to increase your stake holding in uplifting GIET, there is no gain without pain. Remember, in outer world, you are as good as your institution, you cannot change your Almamater but you can change world's perception about your Almamater. Pledge to make our Computer Science and Engineering Department of GIET University, one of the best (and among top 10) R&D and academically enriched department in Computational Sciences acclaimed for its Research Publications, Patents and industry driven Research Projects

Together, we can make a difference; your value is not what you know but what you bring to the table. Make the best use of time and resources. I am available for further assistance at amod@hqr.drdo.in

Dear Fellow GIETians,

Wish you all the best and success on CS E-Patra new letters launch tomorrow.

I was part of GIET, Gunupur from 2000-2004 Information Technology Branch. I have been up to date with my college events and seeing it go through unbelievable transformation. It makes me nostalgic and feel like going back to college again. I feel proud as a GIETIAN.

I look forward to see you all in college one day in future.

EVENTS

1. ICCSEA Conference

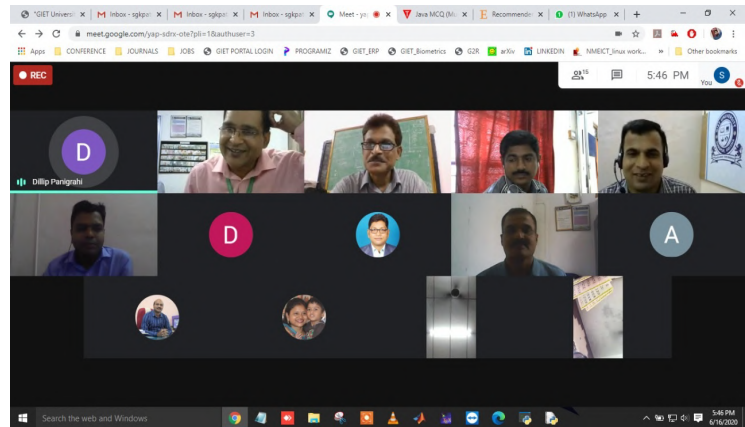

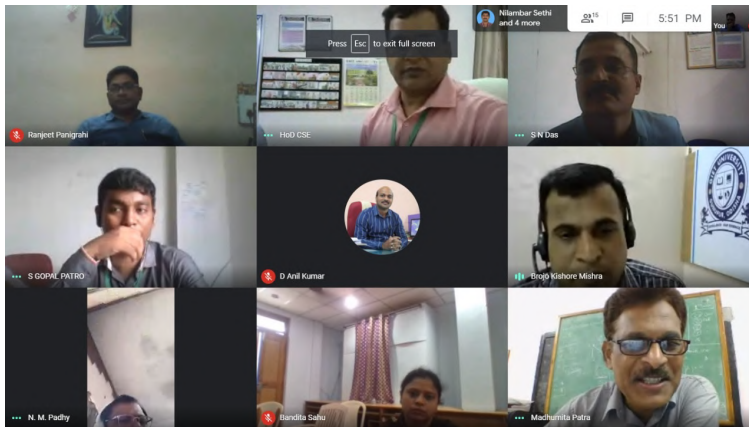

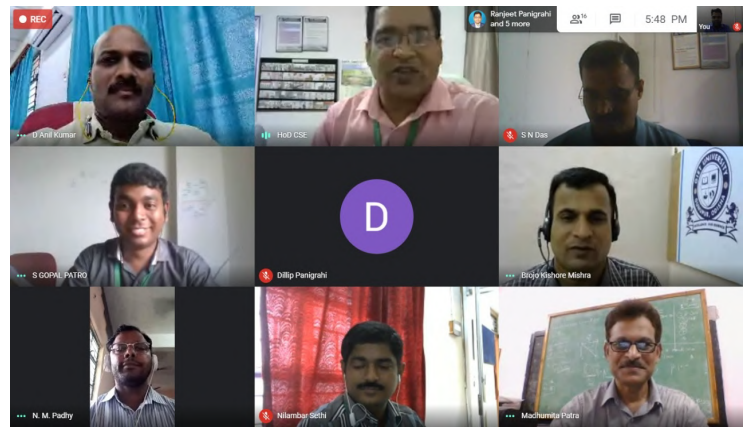

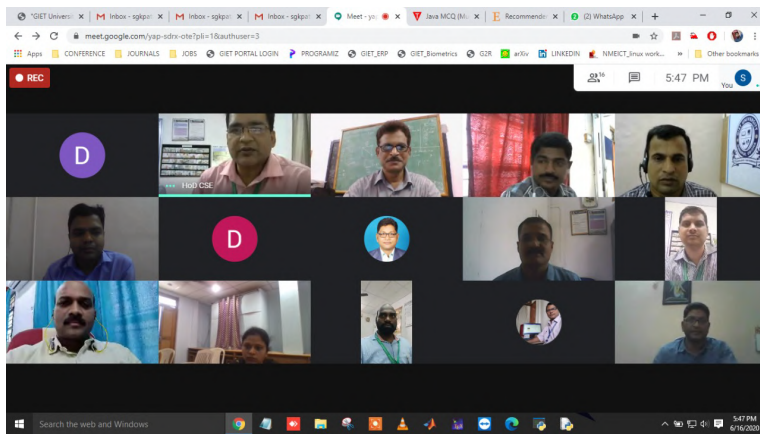

2020 International Conference on Computer Science, Engineering and Applications (ICCSEA 2020), 13-14 March 2020 is technically sponsored by IEEE Kolkata section and Computer Society of India and being organized by Department of Computer Science and Engineering of GIET University, Gunupur -765022, Odisha, India. The conference has solicited and gathered 262 technical research submissions related to all aspects of major conference themes and tracks. After the rigorous peer-review process, 135 papers were selected on the basis of originality, significance, and clarity for the purpose of the conference. Dr. Asok De, Professor at Delhi Technological University, as the Chief Guest and Prof. Atal Chaudhuri, Vice-Chancellor of Veer Surendra Sai University of Technology (VSSUT), Burla as Guest of Honor, Prof. L. M. Patnaik, Adjunct Professor and INSA Senior Scientist as General Chair, Prof. S K Udgata, Professor, Central University, Hyderabad as our Program Chair, Dr. Binh Thai Pham, University of Transport Technology, Ha Noi, Vietnam. Dr. Danial Jahed Armaghani, University of Malaya, Malaysia. Dr. Brajesh Kumar Kaushik, Department of Electronics and Communication Engineering, IIT Roorkee, India. Dr. Vipul Vashisht, Lagozon Technologies Private Limited, Noida, India. Dr. Moe Moe Myint, Mandalay Technological University, Myanmar as our esteemed keynote speakers for this special occasion.

2. International Online seminar on future perspectives for COVID-19: Challenges and Solutions

International Online Seminar on Future Perspectives for COVID-19: Challenges and Solutions on 30th May, 2020, organized by Department of Computer Science and Engineering of GIET University, Gunupur -765022, Odisha, India. Organizing such an event at this point of time reinforces our objective of developing an environment for the exchange of ideas towards technological developments. This seminar would be able to deliberate on current issues of national and international relevance, particularly in the field of COVID-19 research. There have been unprecedented numbers of quality papers that are to be presented in the seminar. Prof. (Dr.) Pankaj Mittal, Secretary General, Association of Indian Universities (AIU), New Delhi & Former Vice Chancellor, Bhagat Phool Singh Mahila Vishwavidyalaya, Haryana as the Chief Guest and Dr. Unnat P. Pandit, Program Director, Atal Innovation Mission, NITI Ayog, Govt. of India, Dr. Rajendra P Joshi, Founder & CEO, RI Instruments & Innovation India, Haldwani (Uttarakhand), Founder & CEO, RI Nanotech India, Managing Director, RINZTECH NZ LTD New Zealand, and Dr. Hoang Viet Long, Faculty of IT, People's Police University of Technology and Logistics, Viet Nam as our esteemed keynote speakers for this international online seminar.

3. Board of Studies (BoS) meeting conducted by Department of CSE, GIET University for designing the syllabus for 2020

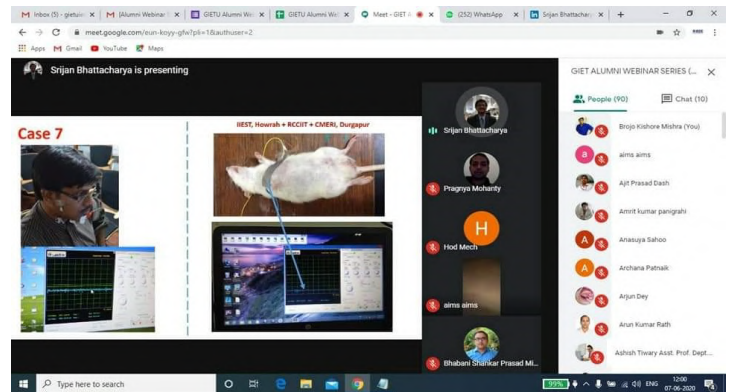

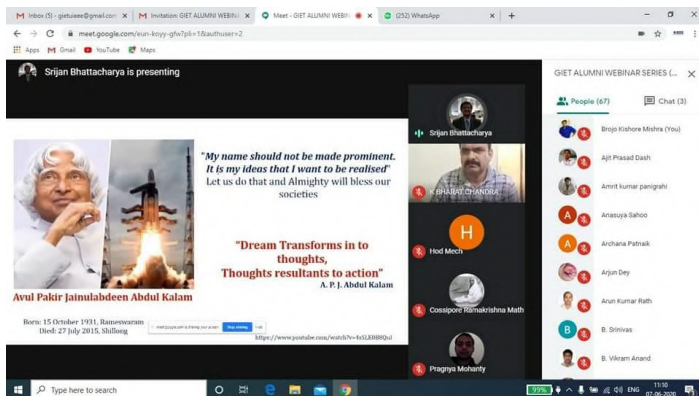

4. Alumni Talk

- i. The IEEE Student Branch-GIET University, organized a GIETU Alumni Webinar Series on the topic “Advancements in Low Dimensional Nanomaterials for Various Applications” on 17th May 2020. The Speaker for the talk was, Dr. Kaushik Pal, (Batch:1998-2002), Associate Professor, Department Of Mechanical and Industrial Engineering, Associated Faculty, Centre of Nano Technology, IIT Roorkee, Uttarakhand, India.
- ii. The IEEE Student Branch-GIET University, organized a GIETU Alumni Webinar Series on the topic “A Pragmatic view of Computational Intelligence in Large Database” on 24th May 2020. The Speaker for the talk was, Prof. Bhawani Shankar Prasad Mishra, (Batch:1999-2003), Dean, School of Computer Engineering, KIIT Deemed to be University, Bhubaneswar, Odisha, India.

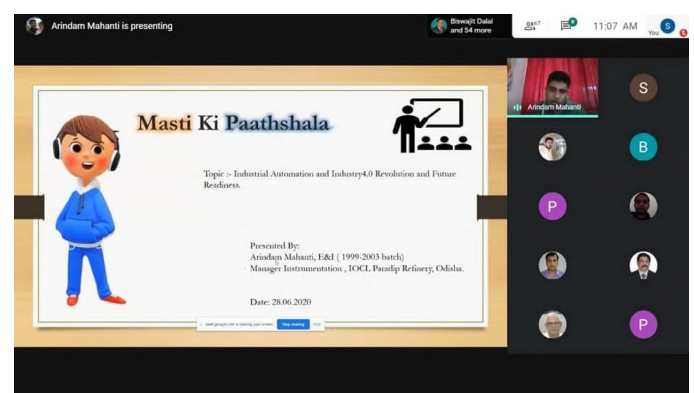

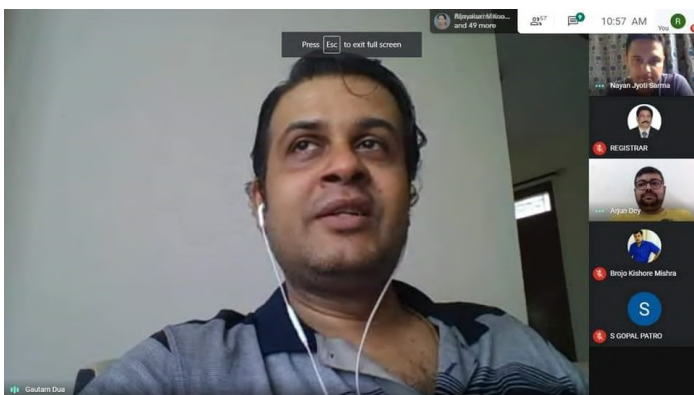

iii. The IEEE Student Branch-GIET University, organized a GIETU Alumni Webinar Series on the topic “SAP role in IT Industry” on 31st May 2020. The Speaker for the talk was, Mr. D.K. Diwakar, (Batch:1999-2003), SAP BI HANA Process Consultant,Program Project Manager, NKT Cables GMBH, Germany.

iv. The IEEE Student Branch-GIET University, organized a GIETU Alumni Webinar Series on the topic “IPMC & It's Application” on 7th June 2020. The Speaker for the talk was, Dr. Srijan Bhattacharya, Assistant Professor, Applied Electronics and Instrumentation Engineering, RCC Institute of Information Technology, Kolkata, India.

v. The IEEE Student Branch-GIET University, organized a GIETU Alumni Webinar Series on the topic “Role of Supply Chain in Retail Industry” on 14th June 2020. The Speaker for the talk was, Mr. Pragnya Prabir Mohanty, Associate Consultant,Tata Consultancy Services presents Limited, Kolkata, India.

vi. The IEEE Student Branch-GIET University, organized a GIETU Alumni Webinar Series on the topic “Understanding Railway and Rolling Stock” on 21st June 2020. The Speaker for the talk was, Mr. Gautam Dua, (Batch:1999-2003), Rolling Stock(Design), National High Speed Rail Corporation Ltd., New Delhi, India.

vii. The IEEE Student Branch-GIET University, organized a GIETU Alumni Webinar Series on the topic “IoT, Industrial Automation and Future Scope” on 28th June 2020. The Speaker for the talk was, Mr. Arindam Mahanti, (Batch:1999 2003),Manager (Instrumentation), Indian Oil Corporation Ltd., Refinery Division, India.

5. Expert Talks Conducted By Computer Science Department

The Department of Computer Science and Engineering, GIET University organized a series of Expert Talk on Research Methodology ,Scope of IoT, Covid-19, Data Science ,Cloud and Fog Computing. Many renowned speakers delivered their talk on the different topics related to research. They focused on how to conduct a research and how to write a good research paper. They explained the step by step process starting from how to get good research article to where to publish a journal. The entire series of lectures are really helpful for a beginner. Here , the list contained the topics delivered by distinguished guests.

Date & Time	Topic	Delivered by
01/05/2020 (9:30 AM - 11:30 AM)	Art of Writing Research Paper	Dr. D. Jude Hemanth, Karunya Institute of Technology and Science, Coimbatore, Tamilnadu, India.
01/05/2020 (12:00 PM - 01:00 PM)	"Covid-19 Data to Learn Data Science Lessons"	Dr. Neha Sharma, Founder Secretary, Society of Data Science, India
02/05/2020 (8.30 AM - 10.30 AM)	"Video Analytics for surveillance IoT Applications"	Dr.Supavadee Aramvith, Department of Electrical Engineering, Chulalongkorn University, Thailand
04/05/2020 (3.00 PM – 5.00 PM)	A Multimodal Effective Teaching approach for E-learning for Higher Education	Dr. Abhisek Kumar, Asst. Prof., Course Coordinator "Animations" (NPTEL/SWAYAM), Institute of Science, Banaras Hindu
05/05/2020 (2.00 PM – 4.00 PM)	From Grid to Fog(gy) Cloud in the Internet of Things	Dr.Marcin Paprzycki, Associate Professor, Systems Research Institute, Polish Academy of Sciences, Poland
06/05/2020 (4.00 PM – 5.00 PM)	Economics of Pedimics	Dr.Aman Agarwal, Professor of Finance, Dean & Director(Rektor), Indian Institute of Finance, 45 A Knowledge Park III, Post Bag No 1, Greater Noida, Uttar Pradesh 201308, India
11/05/2020 (11.00 AM - 12.00 PM)	National Technology Day	Dr. C. Venkataraman Reddy, Dean SoE&T, GIET University, India
15/05/2020 (10.30 AM - 11.30 AM)	Covid-19:The Science & It's Future	Prof.(Dr.) Goutam Ghosh, Vice Chancellor, GIET University, India.

6. Two Days FDPs on Research Methodology

Date & Time	Topic	Delivered by
27/04/2020 (8.30 AM – 10.30 AM)	Funding opportunities for Scientists and Engineers in India	Dr. JBV Subrahmanyam, GIET University, India
28/04/2020 (8.30 AM -10.30 AM)	Research Methodology Design & Process	Dr.C. Venkataramana Reddy, Dean SoE&T, GIET University, India

7. Two Days workshop on Research Methodology

Date & Time	Topic	Delivered by
29/04/2020 (8.30 AM -10.30 AM)	Workshop on Research Methodologies	Prof. Binh Thai Pham, Department of Geotechnical Engineering, University of Transport Technology, Viet Nam
30/04/2020 (11.00 AM – 12.00 PM)	Stop Plagiarism	Prof. Brojo Kishore Mishra, Department of CSE, GIET University, India
30/04/2020 (8.30 AM – 10.30 AM)	Writing a Research Paper	Prof. Bharat Bhusan, Managing Director(Gate villa) & Assistant Professor, HMRITM, New Delhi, India

8. The IEEE Student Branch- GIET University, Gunupur organized a “COVID-19 General Awareness Quiz” from 11th April 2020 to 13th April 2020.

9. The IEEE Student Branch- GIET University, Gunupur organized a “COVID-19 Online Debate Competition” from 25th May 2020 to 26th May 2020.

10. The Department of Computer Science and Engineering, GIET University celebrated “World Intellectual Property Day Celebration ” on 26th April 2020. The invited Speaker for that day was, Dr. Bijay Kumar Sahu, Regional Manager (IPFC & TISC), NRDC, Gol. He delivered his talk on the topic “Intellectual Property and Technological Innovation in COVID-19 and Role of University R&D spill Over for societal Benefits”.

11. Two days Python Workshop for the batch 2019-23 successfully organized by Data Science club and IEEE student branch of GIET University during 27-28 January 2020.
