Key Responsibility Area – Entrepreneurship Development Cell for Academic Year: 2022-23

Objective

1. To Foster the Innovation and Entrepreneurship activities in the University
2. To educate the Faculty and Students about the Entrepreneurship, Startup
3. To conduct motivational session and capacity building program on Entrepreneurship in every year
4. Every month a progress meeting will be conducted about the ongoing activities and agenda of the EDP cell.
5. Every member is required to take motivational session in their respective department to encourage all students as discussed in the monthly progress meeting to reach the said targets.
6. Students should be moulded to show interest on innovation or Entrepreneurship.
7. All members are requested to find out three best innovative ideas in every month from their department students.
8. Faculty members of concerned department are requested to motivate and guide the student to present their ideas before the EDP committee members.
9. Members are needed to find out the real innovators of student those are interested for startup, and assist mostly them for startup registration process through EDP cell.
10. Members must ensure to register minimum one startup in every year from their department.
11. All members are requested to motivate the student to develop prototype model on their ideas, and to file a provisional patent for that idea.
12. Faculty advisor must encourage innovative and startup ideas to participate in various competition.
13. EDP Cell Has to maintain Collaboration with mentors from industry and reputed institute who can help students to make out the model.
14. Facilitate the guidance and motivational session needed for startup process
15. Organizing seminars, Motivational session and capacity building programs from time to time periodically

Mr. Radhanath Patra
Convener
