

Ph.D. Viva-Voce Examination Report

Name of the Scholar	Mrs. Siboprasad Patro
Registration No	19SPHCS009
Name of Department:	Computer Science and Engineering
School:	School of Engineering and Technology
Title of Thesis:	Artificial Intelligence Based Approaches For Automated Heart Disease Prediction
Supervisor	Dr. Neelamadhab Padhy- Department of CSE, GIET University
Co-Supervisor	Dr. Rahul Deo Sah
DRC Chairman	Dr. Sanjay Kumar Kuanar - Department of CSE, GIET University
DRC Member 1	Dr. Raghvendra Kumar, - Department of CSE, GIET University
DRC Member 2	Dr. Brojo Kishore Mishra- Department of CSE, GIET University
DRC Member 3	Dr. Prabin Kumar Patnaik- Department of ME, GIET University
External Examiner	Prof. Ratnakar Dash, Associate Professor, Department of Computer Science and Engineering, National Institute of Technology, Rourkela, Sundargarh, Odisha, India - 769008
Status	Recommended to Award the degree
Date	29/08/2023
Number of offline attendee	37
Number of online attendee	50

29-Aug-23

ARTIFICIAL INTELLIGENCE BASED APPROACHES FOR AUTOMATED HEART DISEASE PREDICTION

Ph.D Open Viva Voce Examination

By
SIBO PRASAD PATRO
(Registration No: 19SPHCS009)
Under the guidance of

Dr. Neelamadhab Padhy
(Supervisor)
Associate Professor
Department of Computer Science and Engineering, GIET University, Odisha

Dr. Rahul Deo Sah
(Co-Supervisor)
Assistant Professor
Department of CS & IT, Dr. Shyama Prasad Mukharjee University, RANCHI
