1. The minutes of the last meeting were read and confirmed.

The Registrar placed before the Board that, Examinations for ODD semester have been commenced from 19th of December, 2020. The whole credit goes to the Examination team for their relentless efforts to conduct the exams smoothly and systematically during the pandemic period.

Similarly, all the HODs & their Team are also deserved appreciation as they have organized and participated in the following activities throughout the entire pandemic period:

First of all cooperating the administration in controlling the Pandemic corona as a Team member in and around the Campus premises.

2. Framing of syllabus for 2020-2021 batch of students (New Batch) by inviting BoS members virtually and got the same finalized
3. Organized FDPs, STTPs, International conferences etc.,

Involved the students to participate/attend in different events such as Chhatra Viswakarma Awards, virtual Internships and other different programs. 3 out of 5 concepts were accepted for next round for Chhatra Viswakarma Awards.

Completed the evaluation of answer scripts of even semester(2019-2020 Batch) and supported the CoE and his team in publication of results in time

Arranged the review meetings for Ph.D. scholars virtually & physically and virtual presentations for new batch of Ph.D. scholars

Encouraged and Motivated the faculty members In submission of Funding Project proposals with different statutory authorities Including AQIS schemes of AICTE.

4. Arranged virtual classes through Google Meet for odd semester from 17th of August, 2020 with the help of E-class Team

Motivated the students to attend the online classes regularly with the help of proctor system

Motivated the faculty members in educating the students to attend remedial & regular classes and examinations through online by using proctor mechanism during pandemic period.

Worked relentlessly during the pandemic period for up gradation of different activities of the University

Prepared and framed syllabus and got it approved through Board of Studies meeting virtually for 2020-21 academic session for all courses of different schools.

Obtained approval from Academic Council meeting held virtually due to corona:

all proceedings of Board of Studies meetings of all courses of different schools.

Publication of odd semester results

5. Execution of MOUs with reputed organization.

The Team T&P, started working on virtual training classes with the help of in-house trainers, where 90% of the students attended the classes.

As a part of awareness programme about the need of industry, steps have been initiated to organize virtual HR conclaves inviting top notch people of the industries under the caption "SPOT LIGHT". As on today we have organized seven conclaves, where faculty and students have participated in a large number.

We were afraid of providing placement during the corona period, but fortunately, the corporates have changed their style of recruitment through online, for which a good number of students were selected by all reputed companies as following . Our heartfelt thanks to all of them, who have helped us in this crisis period.

Sl No	No of Companies	Nos. student placed
