GIET University Launches Intellectual Property Facilitation Centre to Boost Innovation and Entrepreneurship

Gunupur(Correspondent):- GIET University has taken a significant step in fostering innovation and safeguarding creative ideas with the inauguration of its Intellectual Property Facilitation Centre (IPFC) GIET University Cell at the Admin Block Conference Hall.

The ceremony began with the invitation of dignitaries to the dais, followed by lamp lighting and Saraswati Vandana, setting an auspicious tone. Dr. Raghvendra Kumar welcomed the gathering and outlined the importance of the IPFC in promoting a culture of creativity and patent-driven research.Registrar and IPFC Chairperson Prof. (Dr.) NVJ Rao highlighted the critical role of intellectual property in protecting innovations and amplifying their impact on society. Vice-Chancellor Prof. (Dr.) AVNL Sharma described the IPFC as the beginning of a journey to transform ideas into solutions for society, industry, and the environment. He stressed that safeguarding intellectual property is essential to ensure innovators receive due recognition and rewards.Special guest Mr. Sohan Lal Khadia, IEDS, MSME–DI Cuttack, spoke on MSME support mechanisms for innovators and the importance of rural innovation and IP protection. Chief Guest Mr. Victor Sundararaj, Associate Vice President at Infosys, shared insights on using intellectual property as a strategic tool for innovation, competitiveness, and global collaboration.In his Vote of Thanks, Dr. Sasank Shekhar Panda expressed gratitude to all dignitaries, faculty, students, technical teams, and organizers for making the event a success.Following the inauguration, two expert sessions were conducted. Mr. Khadia spoke on MSME schemes for innovators, while Mr. Sundararaj discussed industry-oriented innovation practices, offering practical guidance for aspiring innovators and entrepreneurs.

The IPFC GIET University Cell will serve as a hub for idea protection, patent filing, and technology commercialization. Aligned with national initiatives such as Make in India, Startup India, and the National IPR Policy, the cell aims to empower students, faculty, and researchers to turn their ideas into market-ready, protected innovations through strong industry and government partnerships.

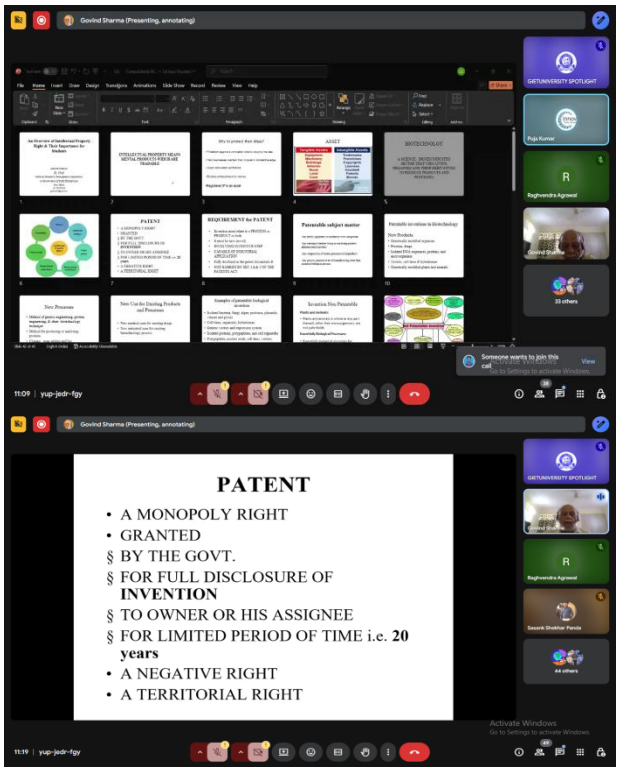
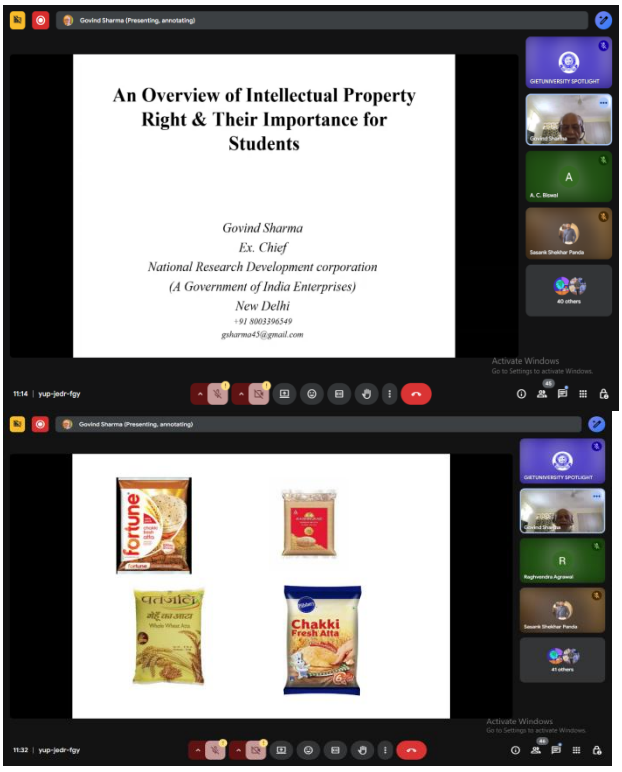
The Intellectual Property Facilitating Centre (IPFC) – GIET University, Gunupur, Odisha is committed to fostering innovation, research, and entrepreneurship by providing comprehensive support in the field of Intellectual Property Rights (IPR). The centre acts as a dedicated platform to guide faculty members, researchers, students, and innovators in filing patents, trademarks, copyrights, and other IPR services while also promoting awareness on the significance of protecting intellectual assets. As part of its initiatives, the IPFC-GIET University Cell is organizing a One Day Online Awareness Program on Intellectual Property Rights on 31st August 2025, featuring expert sessions by distinguished speakers including Dr. Ritu Maity (CTTC, Bhubaneswar), Mrs. Pooja Kumar (Registered Patent Agent & Start-up Facilitator, GoI), Dr. Sukomal Dey (IIT Palakkad), and Dr. Arun Kumar Mishra (Registered Trademark Consultant). This program aims to equip participants with essential knowledge on patent filing, trademark registration, and other aspects of IPR to strengthen innovation culture within the academic and entrepreneurial ecosystem.

Expert 1: Dr. Ritu Maity, HOD AI & Tool design, CTTC, Bhubaneswar
Topic: Intellectual Property Rights Awareness
Intellectual Property Rights (IPR) Awareness plays a vital role in promoting innovation, creativity, and entrepreneurship by educating individuals about the legal rights available to protect their intellectual creations. It helps researchers, academicians, students, start-ups, and industries understand how patents, copyrights, trademarks, designs, and geographical indications safeguard their ideas and inventions from misuse or unauthorized use. By creating awareness, individuals and organizations can leverage IPR to enhance competitiveness, attract investment, build brand value, and contribute to economic growth. Awareness programs on IPR also guide innovators through the process of filing, protecting,

and commercializing their intellectual assets while encouraging a culture of originality and respect for intellectual contributions in academia, industry, and society.

Expert 2: Mrs. Pooja Kumar, Registered Patent Agent, Start-up Facilitator (GoI), Founder & Director: Innove Intellects LLP
Mr. Govind Sharma, Ex. Chief, National Research Development Corporation (A Government of India Enterprises, New Delhi)
Topic: An Overview of IPR and Their Importance for Students





Expert 3: Dr. Sukomal Dey, IIT Palakkad
Topic: Patent Filing Timeline

Expert 4: Dr. Arun Kumar Mishra, Registered Trademark Consultant
Topic: Intellectual Property Protection in India: A Focus on Trademarks
