

GIET School of Agriculture Alumnus Subhransu Sekhar Behera Motivates Students for Competitive Exams

An **Alumni Interaction Talk** was successfully organized by the **Alumni Coordinators of the School of Agriculture – Dr. Anmol Panda, Ms. Sarmishtha Sahoo, and Mr. Varanasi Adarsh – GIET University** in the Smart Classroom on **14th March 2026**.

The session was delivered by **Mr. Subhransu Sekhar Behera (Batch 2017–21), Assistant Agriculture Officer, Kolabira Block, Jharsuguda**.

During the interaction, he shared valuable insights from his **professional journey in the Department of Agriculture** and motivated the **3rd and 4th year students** to begin preparing seriously for **competitive examinations in agriculture and allied sectors without wasting time**.

He emphasized the importance of:

- Maintaining **discipline and consistency in preparation**
- Having **sharp focus, a strong revision plan, and not missing minor topics while preparing for competitive exams**
- Gaining **maximum field exposure and practical learning**
- Developing **clear career goals and preparing strategically for government services**

He also expressed his **great satisfaction with the remarkable development of the School of Agriculture** and appreciated the **Entrepreneurship Learning Programme (ELP) activities**, which are significantly **enhancing the visibility and reputation of the college and university at various levels**.

The session was **highly interactive and inspiring for the students**, providing them with practical guidance and motivation for their future careers.
