**Report**

*Feburay-2026*

The meeting with DIC Ganjam was held on 3<sup>rd</sup> February 2026, during which discussions were carried out regarding the upcoming IPR Awareness program to be organized at Berhampur.

The meeting with UCP Engineering School (Uma Charan Patnaik Engineering School) was held on 3<sup>rd</sup> February 2026, during which discussions were carried out regarding the upcoming IPR Awareness program to be organized at Berhampur.

The One Day Awareness Program on IPR held on 06 February 2026 at the Zila Parishad Conference Hall, Paralakhemundi, was organized to create awareness on the importance of

Intellectual Property Rights among academicians, researchers, entrepreneurs, and MSME stakeholders. The program commenced with the welcoming of dignitaries, followed by lamp lighting and Saraswati Vandana, setting an auspicious tone for the event. Dr. Raghvendra Kumar, Member, IPFC-GIET University Cell, delivered the welcome address, highlighting the role of IPR in innovation and entrepreneurship, followed by insightful addresses by Prof. G. R. K. D. Satya Prasad, Director (R&D), GIET University, and distinguished guests from DIC, MSME. A key highlight of the program was the expert sessions by Sri Sudha Senathi, NRDC, Vizag, who elaborated on IP protection, commercialization, and technology transfer, complemented by technical sessions led by Prof. Satya Prasad. The program also included an overview of the IPFC-GIET University Cell, felicitation of guests, an interactive networking session, and concluded with a formal vote of thanks, fostering meaningful dialogue and collaboration toward strengthening the IPR ecosystem in the region.

The Intellectual Property Facilitating Centre (IPFC) – GIET University Cell at Gandhi Institute of Engineering and Technology University (GIET University), Gunupur, is committed to promoting innovation, creativity, and intellectual property awareness among students, faculty members, researchers, entrepreneurs, and industry stakeholders. As part of its outreach initiative, the IPFC-GIET University Cell is organizing a One Day IPR Awareness Program on 11th February 2026 at the Conference Hall, Uma Charan Patnaik Engineering School, Berhampur. The program is designed to create awareness about patents, copyrights, trademarks, Geographical Indications (GI), and other forms of intellectual property protection, highlighting their importance in academic research, startups, MSMEs, and industrial development. The ceremony will commence with the traditional lamp lighting and Saraswati Vandana, followed by welcome and keynote addresses by distinguished dignitaries including the Vice Chancellor of GIET University, representatives from DIC Berhampur, OASME, and subject experts in GI and IPR. The event will feature expert sessions focusing on the practical aspects of IP filing, commercialization strategies, and the role of IP in fostering innovation-driven growth. The program will conclude with felicitation, vote of thanks, and an interactive networking session, aiming to strengthen collaboration between academia, industry, and government bodies while nurturing an ecosystem of innovation and intellectual property protection in the region.
