

Report on One-Day Workshop on “Aircraft Avionics, Navigation and Safety Systems”

28th March 2026

Organized by

Department of Aeronautical Engineering

**Gandhi Institute of Engineering and Technology University,
Odisha, Gunupur (GIET University)**

One-Day Workshop on Aircraft Avionics, Navigation and Safety Systems

A One-Day Workshop on **Aircraft Avionics, Navigation, and Safety Systems** was successfully conducted today at GIET University by the Department of Aeronautical Engineering under its College of Aeronautical Engineering.

The workshop featured Mr. Ashish Kumar Behera, Executive Chairman of Magnum Dynamics, Hyderabad, as the Chief Guest. Addressing the participants, he delivered an insightful session on aircraft avionics systems, modern navigation technologies, and aviation safety mechanisms. He also emphasized the growing significance of advanced digital instrumentation in aviation and elaborated on emerging career opportunities in the aviation sector.

The Vice-Chancellor of the University, Dr. A.V.N.L. Sharma, graced the occasion and shared his valuable insights on the future prospects and increasing demand in the civil aviation industry. The Controller of Examinations, Dr. P. Vijay Kumar, was also present on the dais.

Mr. Rashmi Ranjan Nayak, Training Manager and Head of the Department of Aeronautical Engineering, delivered the welcome address. The program concluded with a vote of thanks proposed by faculty member Mr. Gautam Kumar Soni.
