VISION

To be a renowned and Globally Recognized University giving importance to academic excellence with latest technology, Research, Innovation and Entrepreneurial Attitude.

MISSION

- To create innovative and committed work force to cater to the societal, environmental and economic needs of the Nation.
- To promote Education and Research Globally at par with the international standards.
- To prepare the future leaders with latest skills befitting to become Entrepreneurs or Employable.
- To support and uplift the meritorious students of this Tribal Area to represent as an Ambassador in all forums as a part of our social responsibility.

University Accolades

GIET University Honoured as ‘Best Performing University – 2026’ at EduSkills Connect’26

GIET University has been honoured with the prestigious “Best Performing University – 2026” award at the 6th EduSkills Connect’26, held in Jaipur. The award recognises the University’s outstanding contribution to skill development, experiential learning and employability-focused education.

Dr. Jagadish Panda, Director General, GIET University, received the award from Shri Ramdas Athawale, Hon’ble Union Minister of State for Social Justice & Empowerment, Government of India.

The University was also recognised for its significant contribution towards EduSkills’ milestone of one million virtual internships, reflecting its commitment to providing students with practical exposure and industry-oriented learning opportunities. In addition, GIET University received recognition through several other awards celebrating excellence in skills and education.

Prof. (Dr.) N. V. Jagannadha Rao, Registrar, GIET University, joined the University community in celebrating these remarkable achievements and acknowledged the collective efforts of the faculty, staff and students behind the success.

Dr. Satya Prakash Panda, President, GIET University Honoured with Prestigious 'Acharya Devo Bhava – Distinguished Award'

It was a moment of immense pride and honour for the entire GIET University family as the Hon'ble President, Dr. Satya Prakash Panda, was conferred the prestigious "Acharya Devo Bhava – Distinguished Award" on the occasion of Teachers' Day, 5 September 2026.

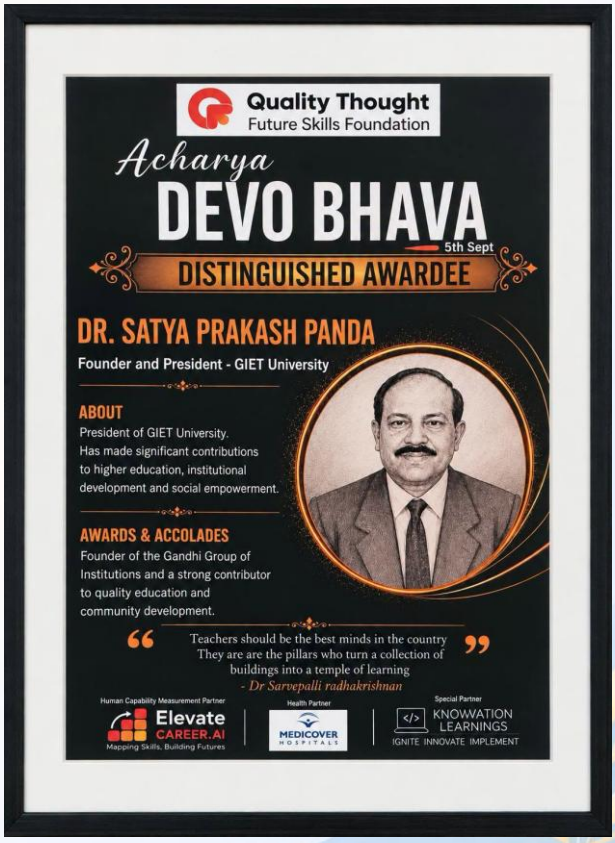

The distinguished award recognises Dr. Panda's remarkable contributions to higher education, institution-building and social empowerment, along with his unwavering commitment to making quality education accessible and creating meaningful opportunities for students and communities.

A visionary educationist and inspiring leader, Dr. Panda has played a significant role in the growth and development of GIET University. Under his dynamic leadership, the University has expanded beyond conventional approaches to education by fostering innovation, nurturing talent, empowering young minds and contributing to regional and national development.

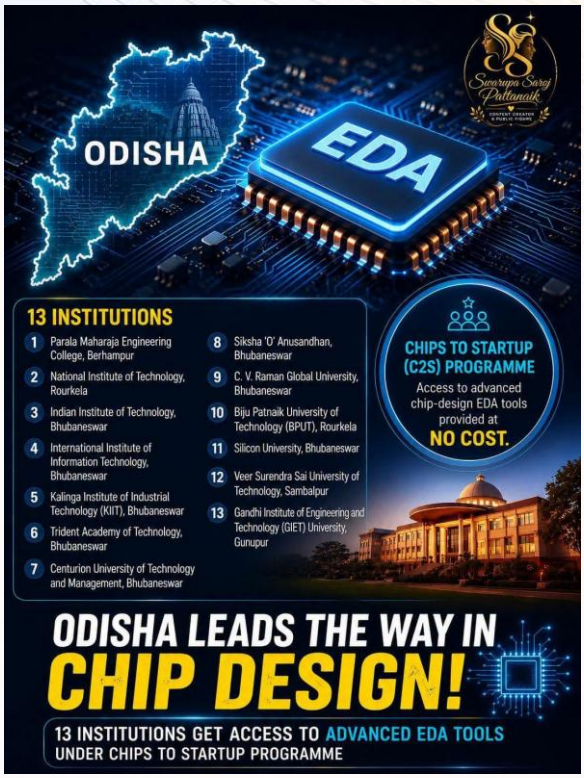

The honour also acknowledges his years of dedicated service towards creating educational opportunities and promoting meaningful social transformation. His journey reflects a strong commitment to education as a means of shaping careers, empowering families and contributing to the development of society.

The entire GIET University family extends its heartfelt congratulations to Dr. Satya Prakash Panda on this well-deserved recognition. His achievement is a source of immense pride for the University and continues to inspire the GIET fraternity to uphold the values of excellence, education, innovation and service.

GIET University Gains Access to Advanced EDA Tools under Chips to Startup Programme

GIET University, Gunupur, has achieved a significant milestone by gaining access to advanced Electronic Design Automation (EDA) tools at no cost under the Chips to Startup (C2S) Programme. This initiative marks an important step towards strengthening the University's capabilities in semiconductor design, chip development and electronics innovation.

The access to advanced EDA tools will provide students, researchers and faculty members with opportunities to gain hands-on experience with industry-relevant semiconductor design technologies. It is expected to further enhance practical learning, research and innovation in the areas of VLSI, integrated circuit design and semiconductor technology.

This achievement is a matter of great pride for GIET University and reflects its continued efforts to promote emerging technologies and create opportunities for students to develop skills aligned with the evolving semiconductor industry.

Being part of the C2S initiative also contributes to Odisha's growing efforts towards establishing itself as a hub for chip design, semiconductor technology and innovation.

GIET University Departments Secure NBA Accreditation

GIET University, Gunupur, has achieved another milestone with the Department of Mechanical Engineering and The Department of Computer Science and Engineering (CSE) securing NBA Tier-I Accreditation from 1 July 2026 to December 2029.

These achievements reflect the University's commitment to Outcome-Based Education, continuous improvement and quality technical education.

The accreditations are the result of the collective efforts of the management, faculty, staff, students, alumni and other stakeholders, further strengthening GIET University's pursuit of academic excellence

GIET University Appreciated for Successful VBYLD Drive

GIET University, Gunupur, received a Certificate of Appreciation from the District Youth Officer (DYO), Rayagada, for its commendable support and successful conduct of the Viksit Bharat Young Leaders Dialogue (VBYLD) Drive on 29 September 2026, organised in collaboration with the Ministry of Youth Affairs & Sports.

The recognition acknowledges the University's effective coordination, institutional support and contribution towards youth engagement, leadership development and nation-building initiatives

Major Events Organized by GIET University

SIP 2026 Session Highlights Addiction Awareness and Self-Trust

As part of the Student Induction Programme (SIP) 2026, GIET University organised an insightful session in association with the SALT Foundation on 3 September 2026. The programme commenced with an address by Dr. Prativa Kar, HoD, BSH, setting the tone for an engaging interaction.

The session focused on addiction awareness, its consequences and the path to recovery, while also emphasising the importance of self-trust, confidence and resilience. The programme provided newly admitted students with valuable insights to support their personal growth and make a positive beginning to their university journey.

GIET University Hosts District-Level TEJAS Workshop

GIET University, Gunupur, hosted a district-level workshop under the TEJAS (Transforming Entrepreneurial Journeys Across State & Districts) initiative on 5 September 2026, in collaboration with Startup India, DPIIT, Startup Odisha, the District Administration and ACIC GIET University Foundation.

The workshop aimed to strengthen the entrepreneurial ecosystem in Rayagada by connecting students, aspiring entrepreneurs and startups with mentorship, government initiatives and growth opportunities. Technical sessions covered the Startup India ecosystem, DPIIT recognition and startup benefits, while panel discussions explored Odisha's startup ecosystem and the entrepreneurial potential of local resources.

A project and startup showcase further highlighted the creativity and innovation emerging from the region. The programme reinforced GIET University's commitment to promoting innovation, entrepreneurship and inclusive opportunities at the grassroots level.

Mindset Youth Camp' Organised at GIET University

GIET University, Gunupur, organised an induction programme titled "Mindset Youth Camp" in association with the SALT Foundation Team on 3 September 2026 at the University campus. The programme aimed to provide students with positive perspectives, motivation and valuable insights to support their personal development, confidence and growth.

GIET University Organises Internal Hackathon 2026

GIET University, Gunupur, successfully organised the Internal Hackathon 2026 on 20 September 2026, aligned with the Smart India Hackathon (SIH) 2026, an initiative of the Ministry of Education's Innovation Cell and AICTE. The event witnessed enthusiastic participation from student teams in Hardware and Software categories, addressing real-world challenges across agriculture, cybersecurity, healthcare, clean technology, renewable energy, robotics, smart automation, education, transportation, and disaster management.

The hackathon provided students with a platform to demonstrate their innovation, technical skills, creativity, problem-solving abilities, and teamwork. Teams selected through the internal hackathon will represent GIET University at the national-level Smart India Hackathon 2026, further strengthening the University's commitment to fostering innovation and entrepreneurship.

Events Organized by Departments

School of Nursing Observes National Nutrition Week 2026

The School of Nursing, GIET University, observed National Nutrition Week 2026 on 7 and 8 September 2026 to create awareness about the importance of healthy and balanced nutrition.

The programme focused on various therapeutic and special diets, including balanced, anaemia, diabetic, cardiac, renal, elderly, antenatal and obesity diets. Through discussions and educational activities, students gained insights into nutritional requirements and appropriate dietary practices for different health conditions.

AI, Automation and Cybersecurity Programme Organised

The Department of Computer Science and Engineering, GIET University, organised a programme on AI, Automation and Cybersecurity on 8 September 2026. The programme provided participants with insights into emerging technologies and their applications in artificial intelligence, automation and cybersecurity, highlighting their growing importance in the digital era.

B.Sc. Agriculture Students Gain Hands-on Paddy Transplanting Experience

The B.Sc. (Hons.) Agriculture 5th Semester students of GIET University participated in a hands-on paddy transplanting activity on 7 September 2026. The field exposure provided students with practical experience in paddy cultivation, including the techniques and procedures involved in transplanting.

CSE Department Organises AICTE–ATAL FDP on Applied Artificial Intelligence

The Department of Computer Science and Engineering, GIET University, organised an AICTE Training and Learning (ATAL) Faculty Development Programme (FDP) on “Applied Artificial Intelligence for Industry: From Data Analytics to Scalable Deployment” from 7 to 12 September 2026.

V. Madhu from Enterprise Minds, Hyderabad, graced the programme as the Chief Guest and shared valuable insights into Artificial Intelligence, data science and supercomputing, highlighting their growing importance in industry and scalable technology deployment

International Workshop on AI, Leadership & Future Skills Organised at GIET University

The School of Management Studies, GIET University, Gunupur, organised an International Workshop on “AI, Leadership & Future Skills for Management Graduates” on 9 September 2026.

The session featured an insightful address by Dr. Saibabu Neyyila, Associate Professor, School of Arts, Management and Social Sciences, Skyline University Nigeria. The workshop provided valuable perspectives on Artificial Intelligence, leadership and emerging skills essential for management graduates to succeed in the evolving professional landscape.

Civil Engineering Department Organises Workshop on Building Layout

The Department of Civil Engineering, GIET University, organised a workshop on “Layout of Building” on 9 September 2026. The workshop provided students with practical insights into the principles and procedures involved in building layout, strengthening their understanding of construction planning and site practices.

Industry Expert Interacts with GIET University Students

GIET University organised an industry expert visit and interactive session with students on 10 September 2026. The interaction provided students with valuable insights into industry trends, professional expectations and career opportunities, helping bridge the gap between classroom learning and real-world professional practices.

Prof. S. N. Das Delivers Session on AI-Driven Cybersecurity

Prof. S. N. Das, HoD, delivered an insightful session at the National Conference on “AI-Driven Cyber Security and Resilient Systems” on 11 September 2026. The session highlighted emerging developments in Artificial Intelligence, cybersecurity and resilient digital systems, providing participants with valuable perspectives on strengthening cybersecurity in the evolving digital landscape.

CSE Department Organises National Conference on AI-Driven Cyber Security

The Department of Computer Science and Engineering, GIET University, organised a two-day AICTE Training and Learning (ATAL) VAANI-sponsored National Conference on “AI-Driven Cyber Security and Resilient Systems” from 11 to 12 September 2026.

The conference brought together academic and technical perspectives on the application of Artificial Intelligence in cybersecurity, with discussions focusing on emerging threats, resilient systems and innovative approaches to strengthening digital security.

Mechanical Engineering Department Organises Workshop on 3D Printing

The Department of Mechanical Engineering, GIET University, organised a one-day workshop on “3D Printing Technology – From Ideas to Innovation” on 16 September 2026.

The programme provided 2nd- and 3rd-year students with practical exposure to 3D printing, prototyping and product development, along with hands-on learning about its applications.

FDP on Indian Knowledge System Organised at GIET University

GIET University organised a Faculty Development Programme (FDP) on Indian Knowledge System (IKS) on 16 September 2026, featuring insightful sessions by Ms. Smriti Kuchhal, Founder, Smriti Gurukul for Memory & Mindfulness, New Delhi, and Prof. Anand Sharma, Department of Management Studies and Director, Centre for Indian Knowledge System.

The programme provided participants with valuable insights into the Indian Knowledge System, memory, mindfulness and its relevance in contemporary education, encouraging faculty members to explore traditional knowledge and practices in modern academic contexts.

Investor Awareness Programme Organised for MBA and BBA Students

The Finance Club, School of Management Studies, GIET University, organised an Investor Awareness Programme (IAP) for MBA and BBA students on 18 and 26 September 2026, in association with SEBI and Pagdandi Edusol Pvt. Ltd. The programme aimed to enhance students' awareness of financial markets, investment practices and investor-related responsibilities, equipping them with essential knowledge for informed financial decision-making.

Outcome-Based Education Initiative Strengthens Practical Learning

The department has initiated an Outcome-Based Education (OBE) approach to strengthen experiential and practical learning among first-year students. As part of the initiative, students received hands-on exposure to practical aspects of Basic Electrical and Electronics Engineering (BEEE), including single-phase and three-phase AC systems, DC and AC machines, and related electrical experiments. The initiative aims to bridge the gap between theoretical concepts and practical applications while enhancing students' technical skills and learning outcomes.

Mr. Balaram Das, Associate Professor, delivered a session under the guidance of Mr. G.R.K.D. Satya Prasad, HoD, EEE, contributing to the department's efforts towards outcome-oriented and practice-based education.

Hands-on Workshop on GIS/GPS Surveying Organised

The Department of Civil Engineering, GIET University, organised a hands-on workshop on GIS/GPS Surveying on 19 September 2026. The workshop provided participants with practical exposure to modern surveying technologies, geospatial data collection and mapping, highlighting their applications in real-world Civil Engineering projects.

GIET University Celebrates World Pharmacists Day 2026

The School of Pharmacy, GIET University, Gunupur, celebrated World Pharmacists Day 2026 with a series of academic, creative, and community-oriented activities under the FIP theme “Empowering Pharmacists for Healthier Futures”, with a special focus on “Swastha Bharat: Combating Antimicrobial Resistance (AMR)”. The programme was graced by Dr. Laxmi Kanta Sahoo, Senior Surgeon, SDH Gunupur, as Chief Guest, along with pharmacist officers from SDH Gunupur.

Students actively participated in Pharmacy Quiz, Elocution, Poster Presentation, and Short Video/Reel-Making competitions, with 52 students participating in the quiz, 12 in elocution, and 7 groups in the short-video competition. An AMR awareness programme was also conducted in the adopted village of Narasinghamunda, where students and faculty sensitised the community on rational antimicrobial use, prevention of self-medication, infection prevention, and antimicrobial stewardship. The celebration highlighted the vital role of pharmacists in promoting rational medicine use, public health, and community well-being.

Workshop on Solar PV System Design Organised

The department organised a workshop on “Solar PV System Design” on 30 September 2026 for 3rd- and 4th-year students. Prof. G.R.K.D. Satya Prasad and B. Vikram Anand served as key resource persons.

The workshop covered Solar PV design concepts and industry practices, simulation using industry tools, solar PV hardware setup, and career opportunities in renewable energy. The programme provided students with valuable practical exposure to solar photovoltaic technology and its industry applications.

Celebration of Special Days

School of Nursing Celebrates National Nutrition Week 2026

The School of Nursing, GIET University, Gunupur, organised a two-day National Nutrition Week 2026 programme on 7 and 9 September 2026 to create awareness about healthy eating, balanced nutrition and prevention of nutritional deficiencies.

A total of 120 students participated in the programme through interactive activities and a Therapeutic Diet Exhibition. Students prepared and displayed various dietary models, including balanced, diabetic, anaemia, renal, cardiac, obesity, antenatal, elderly and malnutrition diets, highlighting their nutritional value, preparation methods and health benefits.

The exhibition provided students with valuable practical exposure to dietary planning and nutrition education. University dignitaries visited the exhibition stations, interacted with the students and appreciated their efforts while providing valuable feedback.

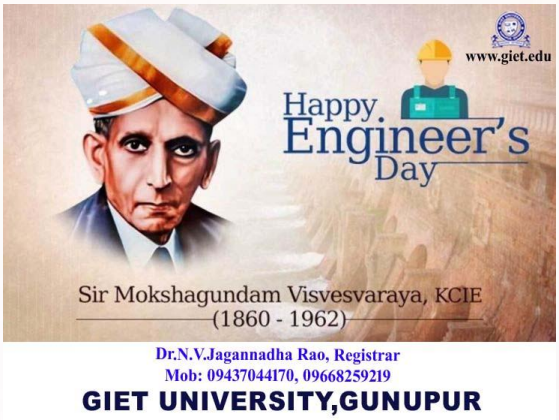

GIET University Celebrates Ganesh Chaturthi with Devotion and Festive Spirit

GIET University, Gunupur, celebrated Ganesh Chaturthi on 14 September 2026 at the University campus with devotion and festive enthusiasm. Faculty members, staff and students came together at Rangmanch to seek the blessings of Lord Ganesha, the Vighnaharta, for wisdom, prosperity, happiness and success.

GIET University Celebrates Engineers' Day

GIET University celebrated Engineers' Day on 15 September 2026, honouring the contributions of engineers to technological advancement, innovation and nation-building. The occasion highlighted the importance of engineering excellence, creativity and problem-solving in addressing societal challenges and shaping a sustainable future.

GIET University Departments Celebrate Vishwakarma Puja

The Departments of Mechanical Engineering, Chemical Engineering, Electrical Engineering and Aeronautical Engineering, GIET University, Gunupur, celebrated Vishwakarma Puja on 17 September 2026 at the Mechanical Workshop with devotion and enthusiasm. Faculty members and students offered prayers to Lord Vishwakarma, the divine architect and craftsman, seeking blessings for knowledge, technical skills, safety and prosperity.

FDP

CSE Department Organises Two-Week AICTE-ATAL FDP

The Department of Computer Science and Engineering, GIET University, Gunupur, organised a two-week AICTE-ATAL Faculty Development Programme (FDP) on "Applied Artificial Intelligence for Industry: From Data Analytics to Scalable Deployment" from 7 to 19 September 2026. The programme provided faculty members with insights into Artificial Intelligence, data analytics and scalable AI deployment, with a focus on emerging industry applications.

Workshop

International Workshop on AI, Leadership & Future Skills Organised

The School of Management Studies, GIET University, Gunupur, organised an International Workshop on “AI, Leadership & Future Skills for Management Graduates” on 9 September 2026.

Dr. Saibabu Neyyila, Associate Professor, School of Arts, Management and Social Sciences, Skyline University, Nigeria, served as the resource person and shared valuable insights on the transformative role of Artificial Intelligence, emerging leadership practices and future-ready skills required by management graduates.

The workshop provided students with an interactive and enriching learning experience, helping them understand the changing global business environment and the skills needed to succeed in the future

Expert Talks

GIET University Promotes Entrepreneurship Culture among School Students

GIET University conducted entrepreneurship awareness programmes under the PM SHRI initiative at Government High School, Gunupur, on 28 and 30 September 2026.

Mr. Ashok Kumar Mishra, Associate Dean, School of Agriculture, delivered an insightful session on “Developing Entrepreneurship Culture”, focusing on innovation, creativity, self-reliance and entrepreneurial opportunities. Dr. Manoj Das, Department of Biotechnology, and Dr. Radha Patra, Department of ECE, also addressed students on developing entrepreneurship skills.

School of Pharmacy Organises Industry–Academia Interaction

The School of Pharmacy, GIET University, Gunupur, organised an Industry–Academia Interaction Programme on 30 September 2026, aligned with the objectives of the National Education Policy (NEP) 2020.

Mr. M. Ammi Reddy, PPIC Manager, Aurobindo Pharma, Visakhapatnam, interacted with B.Pharm 1st and 3rd Semester students and shared valuable insights into pharmaceutical industry operations, production planning, inventory management, professional skills and career opportunities.

The programme helped bridge the gap between classroom learning and industrial practices, promoting experiential and career-oriented education. As a mark of appreciation, the Principal, School of Pharmacy, felicitated Mr. Ammi Reddy with a memento for his valuable contribution.

Faculty Participation in FDPs, Conferences, Workshops, and seminars

- Mr. Chandan Nayak, Assistant Professor, School of Pharmacy, GIET University, Gunupur, successfully completed a UGC Faculty Development Programme on “NEP-2020: Orientation & Sensitization” under the Malaviya Mission–Teacher Training Programme (MM-TTP) from 5 to 14 September 2026. The programme was organised by UGC-MMTTC, Jai Narain Vyas University, Jodhpur, in collaboration with Vivekananda Institute of Professional Studies–Technical Campus, New Delhi. He secured Grade A+ and earned 2 credits under the NCrF. He also successfully completed a one-week Faculty Development/Short-Term Training Programme on “Disaster Risk Reduction and Management”, organised by NITTTR Kolkata, from 24 to 28 August 2026.

- Ms. Devanshi Maharana participated in a one-week National-Level Virtual Faculty Development Programme on “Computing Beyond Boundaries: AI, Digital Technologies and the Future of Interdisciplinary Education”, organised by DiGi Skill Development Centre and Training Institute, Mumbai, from 21 to 27 September 2026.

- Mrs. Arpita Priyadarshini participated in the one-week National-Level Virtual FDP on “Computing Beyond Boundaries: AI, Digital Technologies and the Future of Interdisciplinary Education”, organised by DiGi Skill Development Centre and Training Institute, Mumbai, from 21 to 27 September 2026.

- Mr. Rajdeep Sahu and Mr. Girija Sankar Pradhan attended a five-day FDP on “Building Research Excellence in Higher Education: From Research Design to High-Impact Publication”, organised by Xavier University, Patna, from 21 to 25 September 2026.

- Mr. Pucha Ramesh, Mrs. Geetanjali Panda and Mr. Soumya Ranjan Mishra completed the Advanced Technology Program (ATP) training on Artificial Intelligence and Machine Learning from 21 to 25 September 2026.

- Dr. Kalpana Samal participated in the programme on “AI-Driven Cyber Defense & Secure AI Systems”, organised by IIIT Bhubaneswar.

- Mr. Prahallad Kumar Sahu participated in the 27th Annual Faculty Convention of ISTE Odisha Section on “Enhancing Faculty Development in the Digital Age”, organised by Silicon University, Odisha. He also participated in an ATAL FDP and presented a research paper.

Journal Publications

- Dr. Nilamadhab Padhi and co-authors have published two research articles in the *Indian Journal of Psychological Science* (ISSN: 0976-9218), Volume 21, January 2026, a journal covered in the Web of Science Core Collection under the Emerging Sources Citation Index (ESCI). The publications are titled “Statistical Significance of Ensemble versus Non-Ensemble Classifiers in Mental Health Disease Prediction” (pp. 52–60) and “Boosting-Based Machine Learning Models for Mental Health Disease Prediction: A Comparative Performance and Statistical Significance Analysis” (pp. 61–68).

- Dr. Simadri Rajasri contributed to research with the publication of a paper titled “Digital Transformation of Agricultural Extension: A Systematic Literature Review of Emerging Trends, Applications, and Future Prospects” in the *Indian Research Journal of Extension Education* on 23 September 2026.

- Dr. Shishir Rizal has published a research paper titled “Temporal Dynamics of Stemphylium Blight in Lentil: Role of Sowing Dates, Quantification of Yield Loss, and Predictive Modeling Using Weather Variables” in the journal *Indian Phytopathology.*

- Dr. S. Das, along with co-authors Dr. S. Neyyila, T. Bommali and Dr. A. K. Mishra, has published a research paper titled “Eco-Innovation, Green Competitive Advantage, and Sustainable Business Performance in African Firms: An Empirical Structural Equation Modeling Approach” in the *International Journal of Agricultural Sciences and Engineering (IJASE)*, Volume 14, Issue 01, 2026, pp. 1–12.

- Dr. S. Das, along with co-authors S. Yadav and L. Rao, has published a research paper titled “Digital Transformation in Financial Systems: The Role of Blockchain and Fintech Innovation” in the *International Journal of Advanced Research in Commerce, Management & Social Science*, Volume 09, Issue 03(I), 2026, pp. 31–43. https://doi.org/10.62823/IJARCMSS/9.3(I).9160.

- Dr. S. Das, along with co-authors S. Yadav and T. L. Rao, has published a research paper titled “Digital Disruption in Finance: Unlocking Innovation with Blockchain and Fintech Ecosystems” in the *Journal of Theoretical Accounting Research*, Volume 22, Issue 4S, 2026, pp. 138–151.

- Dr. S. Das, along with co-authors S. Yadav, T. L. Rao, Chin-Shiuh Shieh and Mong-Fong Horng, has published a research paper titled “Technological Disruption in Finance: Blockchain-Driven Innovation in Fintech Ecosystems” in *Enterprise Development & Microfinance*, Volume 36, Issue 3S (2026), pp. 726–748.

- Dr. Biplab Kumar Rath has published a research paper titled “Statistical Significance of Ensemble versus Non-Ensemble Classifiers in Mental Health Disease Prediction” in the *Indian Journal of Psychological Science* (ISSN: 0976-9218), Volume 21, January 2026.

Book Chapters

Moirangthem Monalisa Devi and Dr. Ningombam Sushma Devi contributed two chapters titled “Avocado Ecosystem: Pollinators, Pests and Sustainable Management” and “An Overview of Kiwi Plant: Origin, Morphology, Soil Needs, Cultivars, Major Insect Pests and Management.” The chapters were published under ISBN 978-81-7622-674-5.

Dr. Swagatika Sahoo also contributed to the chapter “Avocado Ecosystem: Pollinators, Pests and Sustainable Management.”

Dr. Ningombam Sushma Devi contributed two book chapters during September 2026. The chapters were titled “Avocado Ecosystem: Pollinators, Pests and Sustainable Management” and “An Overview of Kiwi Plant: Origin, Morphology, Soil Needs, Cultivars, Major Insect Pests and Management.” Both chapters were reported with ISBN 978-81-7622-674-5.

Book Publication

Dr. Saumendra Das published two books in 2026: *Power of Positive Thinking: Transform Your Mindset, Overcome Challenges, and Unlock Your Full Potential*, published by Rights Publications (ISBN: 978-93-93585-22-6), and *Academic Entrepreneurship: Creating an Entrepreneurial Ecosystem*, co-authored with Sivanagesh Penta and Sivini Vysali, published by SSDN Publishers and Distributors, New Delhi (ISBN: 978-93-92798-90-0).

He also served as an editor, along with Koppala Venugopal, N. V. Jagannadha Rao, and Edward Roy Krishnan, for the edited book *Industry 5.0: Innovative Management Practices for Sustainable Development*, published by New Delhi Publishers, New Delhi (ISBN: 978-81-69480-24-6).

The university proudly celebrates the successful award of Ph.D. Degree.

Ph.D. Awarded

Dr. Chaladi S Ganga Bhavani

Ph.D. In Electrical and Electronics Engineering

Faculty Achievements

GIET University Faculty Recognised Among Top 1000 Global Researchers

GIET University faculty members achieved notable recognition in the Scholarly Index World Ranking 2026. Dr. Balakrushna Tripathy, Pro Vice Chancellor (Computational Sciences), was ranked among the Top 1000 Computer Scientists worldwide in four specializations: Rough Sets and Fuzzy Logic (WR 409, IR 15), Advanced Clustering Algorithm Research (WR 509, IR 40), Data Mining Algorithms and Applications (WR 608, IR 28), and Fuzzy and Soft Set Theory (WR 754, IR 67).

Dr. Kali Charan Rath, Professor and Head, Department of Mechanical Engineering, was also ranked among the Top 1000 researchers in Flow Measurement and Analysis (WR 692) and Advanced Sensor Technologies Research (WR 916). These recognitions highlight the university's growing contribution to research and academic excellence.

Dr. Kali Charan Rath Honoured with Dr. Sarvepalli Radhakrishnan Shiksha Samman – 2026

Dr. Kali Charan Rath, Professor and Head, Department of Mechanical Engineering, was honoured with the Dr. Sarvepalli Radhakrishnan Shiksha Samman – 2026 on Teachers' Day, 5 September 2026. The award was conferred by the Global Community for Education in recognition of his dedication, academic leadership, transformative contributions to education, and commitment to social responsibility.

Ms. Madhuri Mishra Receives Aparahna Literary Honour – 2026

Ms. Madhuri Mishra, Department of Basic Sciences and Humanities, received the prestigious Aparahna Literary Honour – 2026 from *Aparahna Sahitya Jhar, Rayagada*, on 5 September 2026. The recognition celebrates her contribution to literature and marks a proud milestone in her literary journey.

Ms. Madhuri Mishra Qualifies UGC-NET in English

Ms. Madhuri Mishra, Department of Basic Sciences and Humanities, successfully qualified the UGC-NET in English, conducted by the National Testing Agency (NTA) in June 2026

(ii)FOR ADMISSION TO Ph.D : One Year from the Date of Declaration of Result
(XII)APPLIED ON THE BASIS OF : Masters Degree (Passed)

Dr. Saumendra Das Serves as Ph.D. Viva-Voce Examiner at KIIT

Prof. Dr. Saumendra Das, Professor and Head, School of Management Studies, GIET University, Gunupur, served as a Ph.D. Viva-Voce Examiner for doctoral research scholar Mr. Purna Chandra Mishra at the School of Rural Management, KIIT Deemed to be University, Bhubaneswar, on 23 September 2026

School of Agriculture Faculty Participate in ICEI Reels Competition 2026

Dr. Rajeswari Das, Varanasi Adarsh, Prashant Kumar Dash, Anmol Panda, and Amit Kumar Padhi from the School of Agriculture participated in the ICEI Reels Competition 2026, organized by the ICA–AP Committee on Cooperatives in Educational Institutions (ICEI).

Mr. Soumya Sarit Mohanty successfully completed an eight-week NPTEL course and Faculty Development Programme (FDP) in Film Appreciation, securing a consolidated score of 69%.

Ms. Madhuri Mishra Receives International Achievers and Best Assistant Professor Awards

Ms. Madhuri Mishra, Assistant Professor, Department of English, GIET University, Gunupur, has been honoured with the International Achievers Award–2026 and the Best Assistant Professor Award–2026 by the Silampoli Foundation. The recognitions acknowledge her dedication to teaching, academic contributions, and professional achievements.

Mr. Prabin Kumar Mishal awarded with Certificate of Appreciation

Mr. Prabin Kumar Mishal, Assistant Professor, School of Pharmacy, GIET University, Gunupur, was presented with a Certificate of Appreciation by Connectoi in recognition of his valuable contribution, guidance, and support towards empowering students and strengthening meaningful academic and professional initiatives

Student Achievements

GIET University Team Secures All India Rank 2 at AVHINYA Hackathon

A team of students from GIET University, Gunupur, named Team Chakra, secured an impressive All India Rank 2 at AVHINYA, a national-level hackathon conducted by IIT Guwahati. Competing against more than 2,250 teams from across India, the team demonstrated innovation, problem-solving, development, and pitching skills through 46 hours of intensive competition.

The team comprised Binayak Kumar Tripathy (Team Lead), Subrat Jena, Ritesh Kumar Lenka, Deepak Prasad, and Abinash Singh

Team Chakra Achieves Top Positions at IIT Guwahati

Team Chakra, the robotics team of GIET University, achieved notable success at competitions held at IIT Guwahati, securing 2nd position in STPI and 3rd position in Line Quest on 1 September 2026. The achievements reflect the team's technical skills, innovation, teamwork, and competitive spirit.

The team comprised Binayak Kumar Tripathy (Team Lead), Subrat Jena, Ritesh Kumar Lenka, Deepak Prasad, and Abinash Singh

GIET CSE Students Win Consolation Prize at Hacksprint 2026

A team of CSE students from GIET University, Gunupur, secured the 3rd Consolation Prize at Utkarsh–2026 Hacksprint, organised at Swarnandhra College of Engineering and Technology, Narsapur, Andhra Pradesh, on 11 September 2026. Competing against 130 teams from six states, the team developed FraudShield, an AI-powered financial fraud detection and transaction intelligence platform, under Problem Statement 3.

The team comprised Ansuman Patra, Arati Patra, Sangram Rath, and Bhargavi Kandulu, mentored by Dr. Sibo Prasad Patro, HoD, CSE.

Three GIET Agriculture Students Selected for Yuva Sangam Phase VII

Three students from the School of Agriculture, GIET University, Gunupur, have been selected to represent Odisha at the national level in Himachal Pradesh under Yuva Sangam Phase VII, an initiative of the Ministry of Education, Government of India, under *Ek Bharat Shreshtha Bharat (EBSB)*. Selected from among 48 students across universities in Odisha, the students are Shib Sanket Hota (2nd Year), Ramakrushna Rout (3rd Year), and Anuradha Sahukar (3rd Year).

Odisha is paired with Himachal Pradesh through IIM Sambalpur–NIT Hamirpur, with the programme focusing on the five themes of Paryatan, Parampara, Pragati, Paraspar Sampark, and Prodyogiki—tourism, tradition and culture, development, people-to-people connection, and technology and innovation.

Mr. Brahmanda Panda, alumnus of the CSE Department, Batch 2019–23, currently engaged as a businessman in the food industry in Hyderabad, visited GIET University on 26 September 2026.

Mechanical Engineering Alumnus Visits GIET University

Mr. Pritiranjan Nayak, alumnus of the Mechanical Engineering Department, Batch 2017–23, visited GIET University, Gunupur, as part of the alumni engagement initiative. He is currently working as a ServiceNow Developer at IBM.

Mechanical Engineering Alumnus Visits GIET University

Mr. Ashis Rautray, alumnus of the Mechanical Engineering Department, Batch 2017–24, visited GIET University, Gunupur, as part of the alumni engagement initiative. He is currently working as an Assistant Mechanical Engineer at JK Cement.

Biotechnology Alumnus Visits GIET University

Mr. Madan Mohan Das, alumnus of the Biotechnology Department, Batch 2015, visited GIET University, Gunupur, as part of the alumni engagement initiative. He is currently working as a Lab Manager in the Residue Department at IFL Ltd., Balasore.

EE Alumnus Interacts with Second-Year Students

Mr. Sanjay Kumar Mohanty, alumnus of the Electrical Engineering (EE) Department, Batch 2018–22, visited GIET University on 29 September 2026 and interacted with second-year students. Currently working as a Software Engineer at Cognizant, Bhubaneswar, he shared insights from his professional journey and emphasised the importance of effective time management for academic and career success. His interaction provided students with valuable motivation and practical guidance for their future careers.

Study Tour & Industry Visit

Civil Engineering Students Visit Septage Treatment Plant

Civil Engineering students of GIET University visited the government-funded Septage Treatment Plant managed by Gunupur Municipality on 21 September 2026. The students observed the scientific treatment of sewage and liquid effluents and learned about the conversion of sludge into manure. The visit provided valuable practical exposure to sustainable waste management and demonstrated the “Waste to Wealth” approach in practice.

Industry Visits Conducted During ATAL FDP

As part of the AICTE-ATAL Faculty Development Programme (FDP), participants undertook industry visits to Miracle Software Systems, Visakhapatnam, and Dhivriti Technologies, Rayagada, from 14 to 18 September 2026. The visits provided valuable exposure to industry practices, technologies and professional work environments.

Exposure Visits

Farmers' Exposure Visit to GIET Instructional Farm

As part of the Extension Reforms under ATMA, a group of farmers from Rayagada district visited the Instructional Farm of the School of Agriculture, GIET University, Gunupur, on 9 September 2026. The visit was organised by RAGI, Gunupur, Gajapati, and sponsored by the Project Director, ATMA, Gajapati. The farmers explored the Instructional Farm, Orchard, Mushroom Unit, and Vermicompost Unit, gaining practical exposure to various agricultural practices and technologies.

Agriculture Students Gain Hands-on Experience in Paddy Transplanting

Second-year students of the School of Agriculture, GIET University, actively participated in paddy transplanting at Bandhuguda Orchard as part of their practical, field-based learning. The activity provided hands-on exposure to paddy cultivation and enabled students to understand proper transplanting techniques and field practices under real-world conditions.

Sports

GIET University Celebrates National Sports Day

GIET University celebrated National Sports Day on 31 August 2026 with enthusiastic participation from students in various sporting activities. Students actively competed in different events and secured prizes, showcasing their talent, sportsmanship, teamwork, and competitive spirit.

NCC

NCC First-Year Enrollment Completed at GIET University

The NCC First-Year Enrollment Process at GIET University was successfully completed on 3 September 2026. The process witnessed the active support and cooperation of the university management, faculty members, staff, and NCC cadets, ensuring a smooth and successful enrolment.

NSS

NSS Orientation Programme for Second-Year Students

GIET University organised an NSS Orientation Programme for second-year students on 8 September 2026. The programme introduced students to the objectives, activities, and responsibilities of the National Service Scheme and encouraged them to actively participate in community service, social responsibility, and nation-building activities

GIET University Launches Nasha Mukt Yuva for Viksit Bharat Campaign

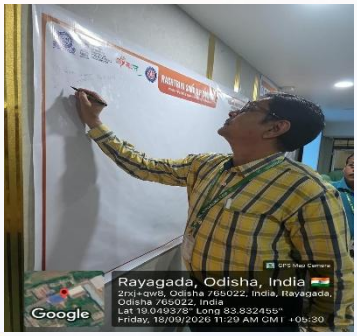

The NSS Wing of GIET University, Gunupur, organised the opening event of the “Nasha Mukt Yuva for Viksit Bharat – 3-Month Sankalp Abhiyan” on 18 September 2026, as directed by the Ministry of Youth Affairs and Sports and the Directorate of NSS, New Delhi. The campaign, scheduled from September to December 2026, focuses on promoting “Health My Pride, Fit Youth, Addiction-Free Youth and Life Skills Month” and creating awareness about the harmful effects of substance abuse.

Dr. A. V. N. L. Sharma, Pro Vice Chancellor (Material Sciences), and Dr. Saumendra Das, HoD, School of Management Studies, addressed students and encouraged them to adopt healthy, responsible, and disciplined lifestyles. The programme concluded with a pledge administered by Dr. Sharma, followed by the inauguration of a Signature Wall, where faculty members and students pledged their commitment to staying away from drugs and supporting a drug-free India

GIET University Organises Mega Blood Donation Camp on NSS Day

GIET University, Gunupur, celebrated National Service Scheme (NSS) Day on 24 September 2026 by organising a Voluntary Mega Blood Donation Camp on the university campus. The camp, organised by the NSS Units 1 and 2, witnessed enthusiastic participation from students, faculty, staff, and NSS volunteers, resulting in the collection of 484 units of blood with support from Blood Bank, M.K.C.G. Berhampur; Blood Bank, Rayagada; and Blood Bank, SDH Gunupur.

The camp was inaugurated by Shri Subhasnat Rout, Deputy Collector, Gunupur, who encouraged students and donors to contribute to such humanitarian initiatives. Senior university officials, faculty members, staff, and 120 NSS volunteers actively supported the successful conduct of the programme. Dr. N.V. Jagannadha Rao, Registrar, GIET University, was honoured with a memento by the Berhampur Blood Bank in recognition of the university's contribution. As part of the NSS Day observance, winners of essay, debate, and quiz competitions were also felicitated.

GIET University Observes Week of Non-Violence

The NSS Wing of GIET University, Gunupur, observed the “Week of Non-Violence” from 29 September to 4 October 2026 through a series of activities aimed at promoting peace, social responsibility, and youth participation. The programme included debate, essay and slogan-writing competitions on 29 September; quiz and drawing competitions on 30 September; a street play/drama on 1 October; and a peace march on 2 October.

During the opening activities on 29 September, Mr. V. Kishore, District Youth Officer, Rayagada, visited the venue and interacted with student volunteers. He encouraged students to actively participate in such initiatives and contribute towards building responsible youth and the vision of Viksit Bharat–2047.

ACIC

Student Projects Presented to Investors at ACIC

On 3 September 2026, students presented their innovative projects at ACIC GIET University Foundation before a group of investors. The presentations provided students with an opportunity to showcase their ideas, receive valuable feedback, and gain exposure to the entrepreneurial and investment ecosystem.

GIET University Organises Outreach Programme on Organic Cultivation

The School of Agriculture, GIET University, in association with ACIC GIET University Foundation, organised an outreach programme on “Organic Cultivation Practices and Their Benefits” at ITI, Malkangiri, on 19 September 2026. Mr. Ashok Kumar Mishra, Associate Dean, School of Agriculture, delivered a technical session on sustainable farming, vermicomposting, vermiwash, soil health, farm waste management, and income-generating agricultural activities. Mr. Ravindra YadavYadav, CEO of ACIC, GIET University along with faculty members of the School of Agriculture, participated in the programme, promoting awareness of sustainable agricultural practices among farmers.

Training & Placement

Several leading companies visited GIET University during September 2026 to conduct campus recruitment drives, offering placement opportunities to students across various disciplines.

The University extends its heartfelt congratulations to all the students who secured placements and wishes them a progressive, successful, and prosperous professional career. Their achievements are a testament to their dedication, hard work, and perseverance, and they continue to bring pride and recognition to GIET University.
